

# ALVERNO ALUMNAE

---

Wherever they go, Alverno graduates make a difference in their families, workplaces and communities. They use the 8 Abilities to become thoughtful leaders who are effective citizens and global thinkers.

Our graduates know that learning is lifelong – and so is their link to Alverno. When you graduate, you join a lifelong community of more than 17,000 Alverno Strong alums. You also become part of the Alverno Alumnae Association and have access to many benefits including:

- Exclusive tours and events for alumnae and their guests.
- Access to Alverno communications, such as *Alverno News* and *Alverno Magazine* | Alverno College (<https://www.alverno.edu/magazine/#:~:text=Stay%20informed%20with%20Alverno%20Magazine%20%E2%80%94%20engaging%20stories,>) (<https://www.alverno.edu/magazine/>)
- Free Career Education services (<http://www.alverno.edu/career/>) for one year after graduation, including job search assistance, access to the Alverno Connects job board, and career management materials.
- Chapel and event space rental for alumnae weddings and special events.
- Library privileges at Alverno (<http://www.alverno.edu/library/>) and seven private libraries in the metro-Milwaukee area.

Our alums stay involved with their alma mater by recruiting new students, fundraising, assessing student performance, hosting events and volunteering in classrooms. Many alumnae offer their professional work settings as sites for student internships and make themselves available to students as career mentors.

The Office of Alumnae Engagement organizes annual events such as Alum Teach and Learn Weekend, Fall Fest, reunions, Alum Awards, and social and networking events.
