GRADUATE STUDENT ACADEMIC POLICIES

This section outlines academic information and policies for all Alverno College students in graduate programs. It provides a basic understanding of college policies and an introduction to academic resources; however, this information is not all-inclusive. Students can find additional information within program specific handbooks. Questions about academic policies can be directed to the Dean of Graduate Studies at 414.382.6231.

For non-academic student policies, go to Student Non-Academic Policies (https://catalog.alverno.edu/collegepolicies/studentnon-academicpolicies/).
