

# PROFESSIONAL SEMINAR (PS)

---

## **PS-411 From Campus to Career (1 credit)**

The student learns and applies the most effective process and strategies for a holistic approach to successfully launching her career. Relating knowledge gained through self-assessment (identifying/clarifying skills, values, interests, goals, etc.) and career research (Alverno Career Lab, Internet, professional networks, etc.), she dynamically engages in decision-making and life work planning. The student professionalizes her resume, and is videotaped interviewing. These skills facilitate entree into her first position upon graduation as well as subsequent transitions as her career progresses.

*Prerequisite(s):* AED Support: AED-488 completed.
