

# DOCTOR OF EDUCATION; K-12 LEADERSHIP

Educators looking to grow as leaders will find dissertation support from day one of the Alverno EdD program, which focuses on developing executive-level skills for classroom innovation, administrative leadership or the business world. This K-12 Leadership track will expand your abilities as a teacher and administrator as you bring dynamic change to K-12 schools and improve efficiencies and performance. Targeted at working professionals, this fully online program can be completed in two years.
