

EDUCATION- K TO 9TH GRADE (KMS) MAJOR

What you will study

This major prepares you to teach in kindergarten through ninth grade. You will have extensive field experiences, starting your freshman year, and a full semester of student teaching. You will take content courses especially designed to make sure that you have a solid knowledge base of the content needed to teach across grade levels in mathematics, science, social students, and English language arts. You will have classroom experiences that span the grades that you will be able to teach.
